

2021 Application Guide for Visiting/Postdoctoral Researcher based on “CSC Scholarship Program”

Overview

Japan Advanced Institute of Science and Technology (hereinafter referred to as JAIST) is recruiting visiting/postdoctoral researchers who wish to conduct research at JAIST under the “CSC Scholarship Program”. After receiving permission from JAIST, candidates need to apply directly to China Scholarship Council (hereinafter referred to as CSC) in order to receive a grant from CSC.

1. Number of Researchers Accepted

A few acceptances

2. Research Period

Visiting researcher 3 to 12 months

Postdoctoral researcher 6 to 24 months

Successful candidates will start their research at JAIST on or after April 1, 2021.

3. Qualifications for Candidates

Visiting researcher

Candidates must hold a doctorate degree and have equivalent research achievements to Professor, Associate Professor or Lecturer in JAIST.

Postdoctoral researcher

Candidates must have obtained their doctorate degree within 3 years at the date of application to the CSC.

4. Application Procedures

Application should be made through JAIST faculty member (host researcher).

Candidates must contact a JAIST faculty member prior to the application and submit application documents (original) to him/her.

You will find the list of JAIST faculty members in the following web site.

Faculty Profiles

http://www.jaist.ac.jp/profiles/index_e.html

5. Application Deadline

February 12, 2021

JAIST faculty member (host researcher) should submit application documents (original) to the Educational Affairs International Section.

6. Application Documents

All the documents must be written either in Japanese or English.

The designated forms should be requested to the following address by e-mail.

Educational Affairs International Section, JAIST

E-mail : e-kokusai@ml.jaist.ac.jp

Visiting researcher

(1) APPLICATION FOR A VISITING FELLOW [Form 1-1]

(2) Official letter of approval from the candidate's home institute [Free format]

(3) A copy of doctoral diploma

Postdoctoral researcher

(1) APPLICATION FOR A POSTDOCTORAL RESEARCHER [Form 1-2]

(2) Official letter of approval either from the thesis advisor or the candidate's home institute [Free format]

(3) A copy of doctoral diploma

7. Selection Results

The selection results will be sent to the host researcher at the end of February 2021.

Others

Even in case the application was not successful after the screening by CSC, JAIST may accept the candidate as visiting/postdoctoral researchers if the incurred cost during the stay in JAIST is covered by other financial resources.

Contact

Please direct all inquiries via email in Japanese or English.
